

Georgia Association of Educators Foundation 2020 National Board Certification Scholarship Application

The Georgia Association of Educators Foundation exists to provide enhanced educational opportunities for every student by training, developing and empowering Georgia's public school educators. As part of this mission, the GAE Foundation provides scholarships each year up to \$1,000 to candidates for National Board Certification. So, if you want to enhance your teaching skills and make a difference in the life of a student, the GAE Foundation wants to help you achieve your goal.

The National Board for the Professional Teaching Standards (NBPTS) Program, the National Education Association [NEA] and the Georgia Association of Educators [GAE] have offered essential information and assistance to educators who aspire to become National Board Certified Teachers. The NBPTS Program, a national system of assessment and certification, has high and rigorous standards for what a teacher should know and be able to accomplish. The program is designed to strengthen the teaching profession and improve learning in America's schools.

Eligibility

Georgia certified educators actively teaching in a Georgia public school that possess the requirements for application for National Board Certification (go to www.nbpts.org for a detailed list of requirements) are eligible to apply for this scholarship. The GAE Foundation Scholarship for National Board Certification will be awarded according to the number of qualified applicants and available funds up to \$1,000 per scholarship. Scholarships are intended to subsidize the candidate's NBPTS fees for completion of the National Board Certification Process and may not be used for other costs. The GAE Foundation will award scholarships up to the amount not otherwise subsidized by the state of Georgia or other funding sources.

Special Notes

Scholarship winners will be notified in May 2020.

All application materials submitted shall be retained by the Foundation and will not be returned to the applicant.
