

Georgia Association of Educators Foundation 2021 Best Practices Grant Application

The Georgia Association of Educators Foundation exists to provide enhanced educational opportunities for every student by training, developing and empowering Georgia's public school educators who are members of the Georgia Association of Educators. As part of this mission, the GAE Foundation works to enhance student achievement by providing support for innovative programs. Best Practices grants up to \$1,000 are awarded each year for best practice projects and innovative instructional techniques. So, if you have an inspiring project in mind that you believe will impact student learning and raise student achievement, the GAE Foundation wants to help you put your plan in action.

Eligibility

Members of the Georgia Association of Educators who are actively teaching in the classroom or serving in a supporting educator position (e.g. Counselor, Social Worker, Media Specialist) in a Georgia public school are eligible to apply for this grant. The GAE Foundation Best Practices Grants will be awarded according to the number of qualified applications and available funds up to \$1,000 per grant. These grants may not be used for salary, stipend or any other form of compensation in any capacity and may not be used for other costs not directly related to the project.

Requirements

- A. Please read all instructions carefully before completing this application.
- B. Complete the grant application form in its entirety. Type the application (preferred) or print legibly. Sign and date the application form.
- C. Submit a plan (typed - 12 point font or larger) describing your best practice project. The plan should include the following components:
 1. Objective of the project.
 2. Identification of how the project relates to the Georgia Standards of Excellence and School Improvement Plan (GSE/SIP) and how it will impact student achievement.
 3. Description of activities that will be conducted in implementation of the project.
 4. Timeline for the project.
 5. Specific line-item budget of expenditures for the project.
 6. Evaluation plan to be used to determine the impact on student learning and achievement.

D. Submit the entire packet by the deadline date of **February 1, 2021**. Incomplete grant application packets will not be eligible for consideration.
